Quiz Invigilation (1/3)

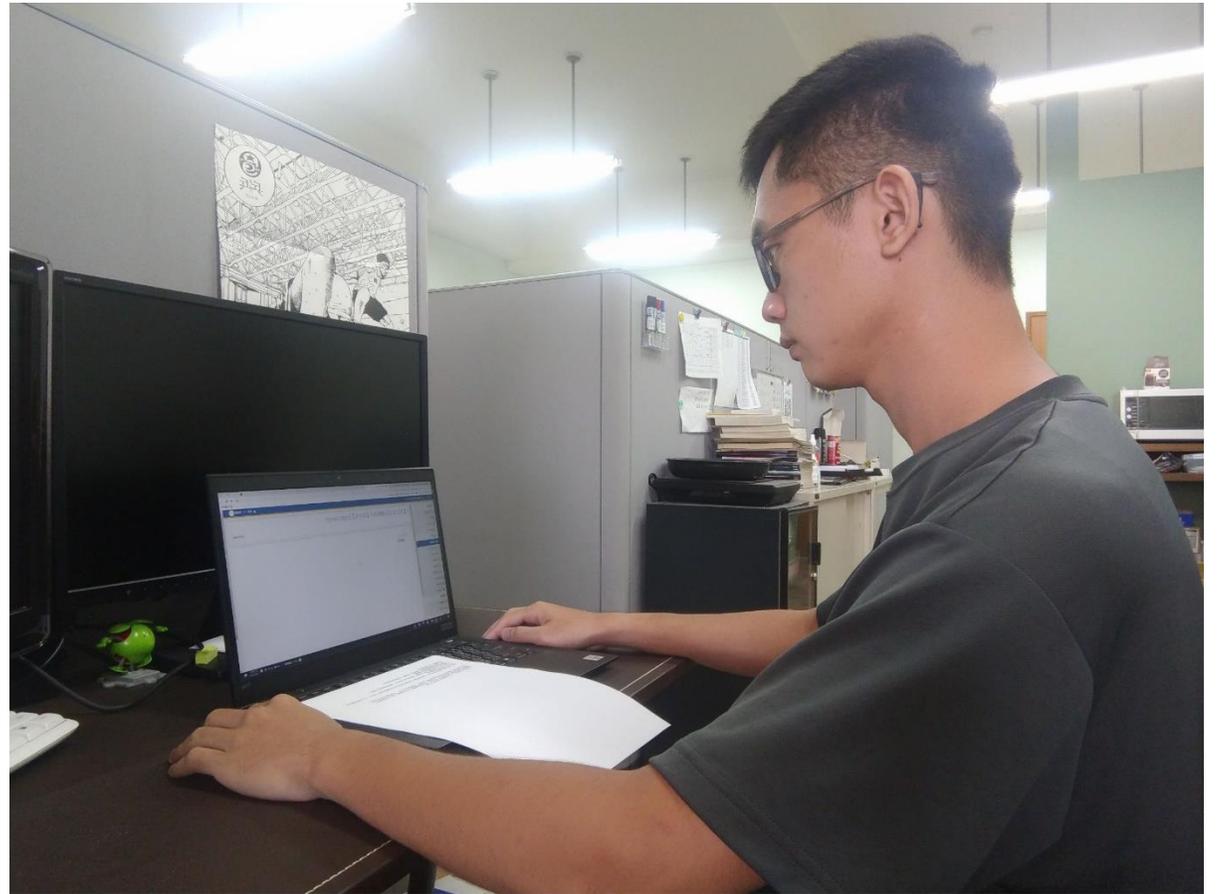

- For invigilation, every student needs to join a video meeting and live stream himself/herself on the meeting when taking a quiz.
- We will create a link of **Google Meet** for the video meeting before each quiz, please check the announcement on NEW E3.
- You should use your **nycu** email account to join the meet.
 - More information: <https://it.nycu.edu.tw/it-services/mail-services/students-email/>
- Please use your smartphone or other devices to live stream and mute your microphone when taking a quiz.
- We will record all the video meetings. The recordings will be saved until the end of this semester.

Quiz Invigilation (2/3)

- If you have any question when taking a quiz, you can send chat messages in the video call to ask questions.
- You cannot access any other websites besides NEW E3 during the quiz.
- When live streaming, you should show:
 1. The screen of your computer (not too close to your camera lest others may see our answers)
 2. Your face before the test starts (to confirm your identity)
