

## **Honor Code for VLSI Testing**

As a student taking this course, you should follow the rules shown below.

1. No plagiarism. Giving or receiving unpermitted aid on assignment are not allowed.
2. No cheating on examination.

Once a violation is reported, the accused student will fail this class and receive a total score of zero.

---

---

### **Pledge**

I understand the rules and believe that personal integrity is more important than academic results. I will not engage in dishonesty in my academic activities.
