

Honor Code for VLSI Testing

As a student taking this course, you should follow the rules shown below.

1. No plagiarism. Giving or receiving unpermitted aid on assignment is not allowed.
2. No cheating on any examination.

Once a violation is confirmed, the accused student will fail this class and receive a total score of zero.

Pledge

I understand the rules and believe that personal integrity is more important than academic results. I will not engage in dishonesty in my academic activities.

Student ID: _____
